Schedule of Events

RECON THURSDAY

The SoCal ASL Club invites you to start your weekend of ASL on Thursday morning at 10:00 AM.

Stop on by the Inland Empire Room early on Thursday to get in a warm-up game or just say hello! We have our own entrance to the parking lot for easy unloading of your kit. Registration will open about Noon but you can take care of that anytime during the day. Look for "West Coast Melee" on the event board or ask for directions at check-in to find us.

THE WEST COAST MELEE

The West Coast Melee will officially begin on Friday morning at 9:00 AM.

This year's Melee will allow folks to play in the Friday Minis and still count their games towards the Melee. Players will be competing for the Champion spot and the top 4 places will get awards! This year, the Melee breaks down as follows...

Friday's Close Combat: Players will be recording their win-loss record starting on Friday at 9:00 AM. Pick up games and T.D. paired games all count. In addition, Games played in the three Mini-Tournaments on Friday will count towards the Melee score. Saturday's 8-man Hand-to-Hand competition for the Melee will include the 3 winners of the Friday Minis and the 5 top scoring players.

Saturday's Hand-to-Hand: The T.D. will pair off the 8 players that survive the Friday Close Combat, who will then play a single elimination, fixed round, fixed scenario format consisting of 3 rounds on Saturday. We expect to finish up the Melee Saturday evening.

THE MINI-TOURNAMENTS

Three Mini-Tournaments will be started on Friday at 9:00 AM and three more on Saturday at 9:00 AM.

Like last year, we will be running Mini-Tournaments so that they conclude all three rounds by the end of each day. Please be sure to show up at 8:45 AM for a prompt 9:00 AM start each day. The Friday Minis will count towards the Melee so everyone can participate, potentially, in a Friday Mini and still be eligible for the Melee (and the winners of the Minis automatically earn a spot in the final 8 of the Melee!) We hope with this schedule, that folks will be able to play through a Mini even if they have only one day to spend at WCM.

PRIZES, PRIZES, PRIZES!

Prizes will be awarded starting Thursday with the Big Raffle concluding the fun on Saturday!

We have been gathering prizes all year to give you a little something to remember WCM XX. Raffle tickets are part of registration and you can buy more during the weekend. We will be handing out prizes starting on Thursday and Friday, to be concluded at the Big Raffle on Saturday.

THE 7-0 LEADERS PROGRAM

The 7-0 Leaders Program begins on Friday morning at 9:00 AM.

Are you a new player? Maybe you played a long time ago, but have gotten a bit rusty and would like to get back into the game? You're not alone. SoCal ASL will be providing our 7-0 Leaders Program. With the help of the now-famous Starter Kits, We will be matching up players, explaining rules and offering assistance. In addition to the usual bedlam that is 7-0, we may set up a Starter Kit Mini Tournament if we have enough 7-0 participants. We love Starter Kit...we look forward to seeing you there!
